

Focusing on Physical, Emotional, and Psychosocial Well-Being

SynchronyFIT is a Wellness Program designed for Long-Term, Assisted Living, and Independent Living residents, as well as seniors living in the community. Our program promotes physical, emotional, and psychosocial health and well-being by focusing on all aspects of healthy living.

CLINICAL STRATEGIES:

SynchronyFIT is a program designed to promote wellness, functional independence, and enhanced quality of life in older adults through specifically designed programs in balance training, strength training, flexibility training, and cardio/endurance training. SynchronyFIT offers HeartFIT, StrongFIT, FlexFIT and BalanceFIT programs that are graded for levels of independence.

QUALITY OUTCOMES

Through our comprehensive clinical approach, **SynchronyFIT** results in several quality outcomes:

- Reduced risk of falls
- Improved bone health through weight bearing exercises
- Improved sleep and rest
- Decreased depression
- Improved socialization
- Improved ability to live independently
- Improved quality of life
